Six thousand people gathered at St. Petersburg, Florida, on New Year's day to witness the opening of the first commercial line of hydro-aeroplanes in the world. Regular trips are being made each day, the boats running on schedule time. A stock company of local men is backing the novel enterprise.

SUMMER WEATHER.

The warm, balmy spring-like weather of the last few days has had the effect of bringing out the children to play in the streets, as if it were good old summer time once again. This state of weather that has been prevailing over almost the entire country for the last several days, is a decided change from the blustery, stormy weather of the preceding week. Overcoats were discarded early in the day.

Plans for Elaborate Function.

Plans have been formulated by the
committee on arrangements to make
the forthcoming annual ball of the
local commandery of the Knight Tem-
plars the most elaborate and magnifi-
cent affair in the commandery's history.
The committee met for the pur-
pose Wednesday evening in the sec-
retary's office in the Masonic temple.

While this is to be the sixth annual
affair of the kind, it will be the first
to be given in the new Masonic tem-
ple and it is chiefly upon that account
that exceptional efforts will be put
forth to make it a distinctive and
memorable affair. The date is Mon-
day, February 23, that day being
chosen because Washington's Birth-
day, upon which the annual ball is
usually given, falls this year on Sun-
day. In connection with the grand
ball, a sumptuous banquet will be
served in the dining hall of the tem-
ple. It is planned to throw open the
entire temple upon this occasion for
the inspection and use of the knight
and their ladies who will attend.
Splendid musical programs will be
executed and a number of special fea-
tures will be provided.

Unusual interest is being taken in
the affair and in addition to a full
representation of the local command-
ery, visitors from other command-
eries throughout the state are expected
to be in attendance.

Glee Club to Play Here.

The West Virginia University Glee
Club will give a recital in the Ma-
sonic temple here Monday evening,
February 16 under the auspices of
the Clarksburg West Virginia Univer-
sity Club.

The glee club which is one of the
finest organizations of musicians that
has ever represented the university,
is under the personal direction of
Prof. Black, of the department of
music of the university. Prof. Black
is one of the best known musicians
in the state and will arrange a first
class program of music for the recital
here.

Several meetings have been held by
the University Club and arrangements
are on foot to have a social gathering
of some kind after the recital in honor
of the members of the glee club.

Box Supper.

A box supper will be given at 7:30
o'clock Friday evening at the Indus-
trial school, the proceeds of which
will go towards purchasing a new
piano for the school. An excellent
program has been arranged by the
club in charge and includes a two act
dialogue "Mind Your Own Business," a
comedy that will bring many
laughs.

To Celebrate Birthday.

Master Horner Davis will entertain
a few of his young friends at a very
enjoyable 6 o'clock dinner this eve-
ning to celebrate his tenth birthday
anniversary. Crimson carnations will
comprise the floral decorations and
unique place cards will be at the cor-
ner of each guest. They will be in
valentine design. One pleasing fea-
ture of the entertainment will be a
large Jack Hornor pie.

Dancing Tonight.

Free lessons in dancing will be
given by William Shinn and Duke
Wells in the Hoffman hall on Court
street from 8 to 9 o'clock tonight,
followed by the Cadenza orchestra's
regular weekly dance from 9 to 11
o'clock.

GRAND

(Continued from page one.)

When our members paraded they
carried American flags, but those
flags were cut from their staffs and
trampled in the dust. Deputies, at
the direction of mine operators,
have entered the homes of union
men, turned the occupants out,
smashed furniture and shattered
windows. The Houghton county
grand jury is a farce. Composed of
mine superintendents, members of
the Citizens' Alliance and Jim Mc-
Naughton's chauffeur it acted as the
unions expected it would act."

CARD OF THANKS.

We desire to thank our kind friends
and neighbors who so kindly assisted
us during the sickness and death of
my dear wife and our mother.
